Re: Bel Fuse Inc., et al. v. Molex Incorporated
Civil Action No.: 13-02566 (JBS) (JS)

Dear Judge Simandle:

We represent Defendant Molex Incorporated ("Molex") in the above-captioned matter. On August 6, 2013, Molex filed a motion to dismiss certain claims in Plaintiffs' Complaint. *See* ECF Dkt. 8. In response, on August 20, 2013, Plaintiffs filed an Amended Complaint. *See* ECF Dkt. 11. Plaintiffs also filed an opposition to Molex's motion on that date, which opposition argued that the motion to dismiss is moot in view of the Amended Complaint. *See* ECF Dkt. 12.

In view of Plaintiffs' August 20, 2013 filings, Molex withdraws its motion to dismiss. Molex presently intends to file a new motion to dismiss, based on the Amended Complaint, which it will file on or by the date a responsive pleading or motion is due.

We thank the Court for its courtesies and consideration.

Respectfully submitted,

s/ David E. De Lorenzi
